AbraQuest

School Library Management System

Introducing Abraquest

With an emphasis on useful features and value for money, Abraquest is aimed squarely at automating your school library operation and with enhancements in recent years is currently going from strength to strength.

You can manage your library really easily using timely information from Abraquest.

Keep Track of your Library Books

Computerise your school library to allow simple issue and return of books using a barcode scanner.
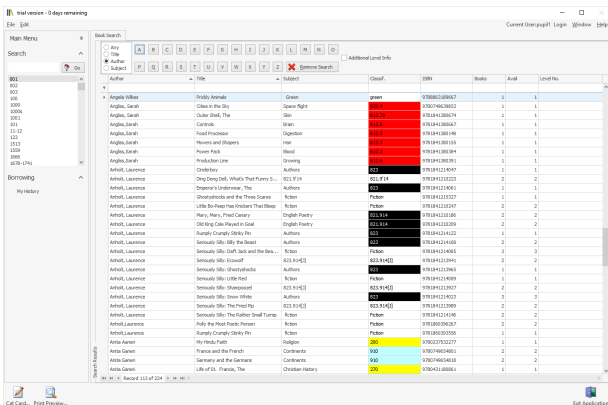

Obtain Timely Information

Easily access pupil reading histories, book whereabouts, library usage, most and least popular books for different pupils gender and years.

Help and Encourage Young Readers

Abraquest includes an easy book search and reservations system.
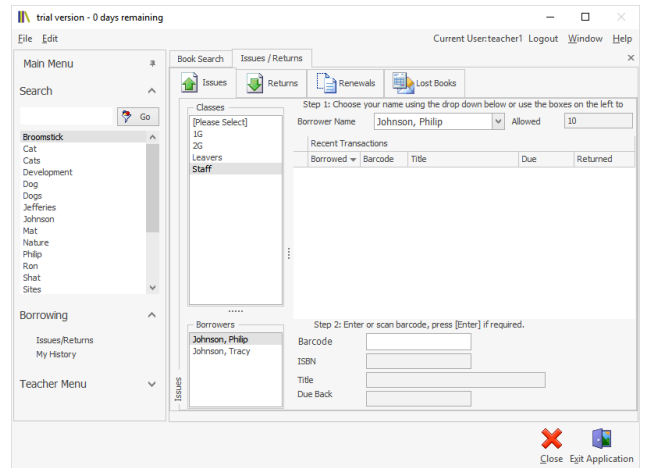

With more exciting features coming in the future!

Search by keyword or book details such as title, author, subject.
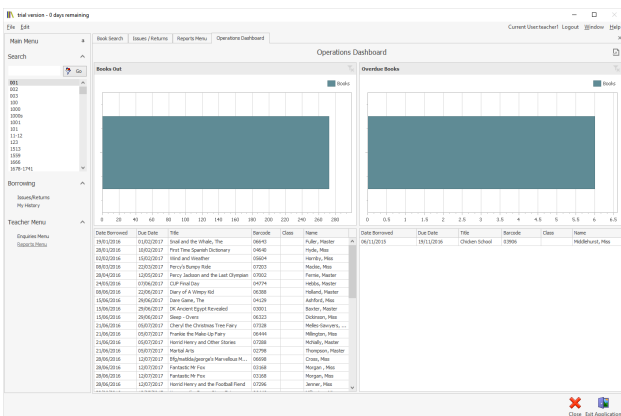

Book Search

Abraquest book search is simple and easy to use. Pupils can reserve books that are already out, and (coming soon) optionally issue / return books without teacher being present in the room.

Issue and Return

Issue and Return comes in two flavours, one used when teacher is in the room and the unattended option, which is coming soon in 2017. Shown on the right is the teacher in the room option where the pupil is selected and the book is scanned to issue, return, or renew, with also the option of entering losses.

Issue involves selecting the borrower and scanning, Returns just simply scanning.

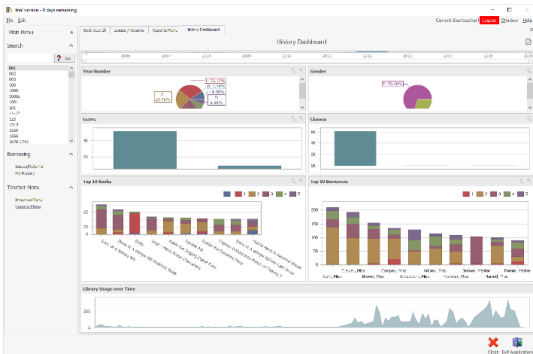

Books Overdue are available at a glance at any time.

Borrowed and Overdue Books

The operations dashboard gives the user all the information needed about books that are currently out of the library, including those overdue.
Further Information: https://www.abraquest.co.uk/features/

L2 v1.0

Information is available with one or two mouse clicks.

**Contains a Wealth of Information about your Library**

The Abraquest History Dashboard shows the user all the information they might like to know about the library, such as, who is using the library, what are the most popular books, per year, class, gender, pupil? Is the usage increasing or decreasing, and what books are just not being borrowed?

Abraquest Automated Backup

This is available as a low cost option, that saves a copy of all your library data in your own private cloud. Easy two click operation helps ensure that you will always have a backup copy of your data in the event of a problem with your library PC. Old backups are deleted automatically, the remainder being kept for up to 10 years.

Abraquest Automated Backup keeps your data safe for up to 10 years.

Abraquest is easy to setup and maintain.

Easy Setup and Upgrade Options

Abraquest includes an easy setup wizard that helps get your system started the right way, then you can scan your books in a process that can take a couple of weeks initially.

If you use a competitors system, enquire about data conversion – we may be able to transfer the data, enabling your system to get up and running quickly and easily.

Minimum System Requirements: https://www.abraquest.co.uk/about-abraquest/minimum-system-requirements/

L2 v1.0

Runs on any Windows PC from Windows XP Service Pack 2 on.

Runs on a Windows PC

Abraquest runs on any Windows PC running Windows XP Service Pack 2 up to Windows 10, and although over 10 years old, Abraquest is actively maintained to run on all the latest hardware. A new companion product is coming soon that allows Abraquest to keep track of classroom based books via a tablet or classroom computer.

Connects to the Abraquest Cloud

Your Abraquest data is currently only on your library PC, but with online access to books, backups and other services and gives customers the immense capability, flexibility and low cost of the Microsoft Azure cloud system by way of many standard and optional features built into Abraquest.

Abraquest is connected behind the scenes to the Microsoft Azure cloud system.

Offering excellent value for money, what's not to like?

Excellent Value for Money

Priced from an initial £495+VAT and from £145 + VAT per year annual maintenance (depending on options chosen), Abraquest must surely offer the best value on the market. Abraquest is priced to appeal to all customers, via a number of options, so you can choose what you pay for. Also many new developments are planned, please enquire for further details.

Next Steps: You can download a 30 day trial from the schools area of www.abraquest.co.uk at any time. If you would like to order, please send in the following page, or telephone or email for a personal quotation along with any questions you may have. If you then wish to go ahead, you can email your acceptance along with a purchase order (if you require one), and we will respond immediately with everything you need to get started, along with our invoice payable within 30 days.
